REGISTRATION HIGHLIGHTS FOR THE 2022-2023 SCHOOL YEAR

- We are sending you the St. Bede School Tuition/Fees Agreement for the 2022-2023 school year. The Bus Agreement (if applicable) is also included. Both forms, if needed, should be completed so that your account is billed correctly. **These forms are due in the office by Monday, February 14, 2022.**
- After February 14, 2022, you will be automatically re-enrolled in your FACTS tuition account for the 2022-2023 school year. Your 2021-2022 FACTS account will be billed for the \$150.00 registration/FACTS fee for the new school year. While you are automatically re-enrolled in FACTS, we still need your signed Tuition Agreement. All current families will have their FACTS account rolled over in February 2022. Once your account is rolled forward, you will have the ability to make changes to your checking or credit card information, schedule payment reminders, and monitor your balance. **You are not considered completely enrolled until we receive the \$150.00 Registration/FACTS fee and the Tuition Agreement(s) for the 2022-2023 school year. ***
- You also have the option to send in/drop off your Registration/FACTS fee and, if applicable, bus deposit to school with a check/cash. These payments should be included with your registration papers (Tuition Agreement(s) and Bus Agreement).
- After the February 14, 2022, deadline for registration for the new school year, enrollment will be open for all non-St. Bede families. If registration materials and fees are not received from our current St. Bede families at that time, your seat could be given to another student.
- If you are a new family at St. Bede School in 2022-2023, we will provide you with the information necessary to sign up for a payment plan on the FACTS website.
- If you are not planning to return to St. Bede School in 2022-2023, please notify the school office in writing by Friday, February 11, 2022.

Service Hours

The required number of service hours per family is 20 hours. To continue offering our activities and special events, we need to staff these events with volunteers to oversee them properly. We know that schedules are busy and tight, but we also believe that each family will have more than ample opportunity to provide 20 hours over the school year. We will charge \$15.00 per hour for service hours not worked. A \$300.00 Service Hour Fee will be billed to your FACTS account along with the other school fees at the beginning of each year. If all 20 hours are worked, a refund check of \$300.00 will be sent at the end of the year. If only 10 hours are worked, a refund check of \$150.00 will be sent at the end of the year. Service hours will be tracked through *Volunteer Spot* to help ensure there are no missing pieces of paper or missing signatures. More information will be provided later.

Service hours will depend upon the pandemic for the 2022-2023 school year.

Please note that Athletic hours or Drama Club hours are in addition to these required 20 hours per family.

FACTS Information

All families, including those who pay in full, MUST set up a payment plan within ten (10) days of receiving their "Online Payment Plan Invitation." (If tuition is paid in full before June 30, 2022, the \$150 Registration/FACTS fee will be refunded.)

There are monthly Raffle Ticket drawings for \$500.00 from September through May and a grand prize drawing of \$5,000.00 in June 2023. A reminder: Your raffle ticket cost (\$375) is included in your tuition payment and billed to your FACTS account.
